➤ **NAME AND ADDRESS OF THE ORGANIZATION**

<https://www.nsilindia.co.in/contact-us>

➤ **HEAD OF THE ORGANIZATION**

<https://www.nsilindia.co.in/leadership>

➤ **VISION MISSION AND KEY OBJECTIVES**

Vision

"Excel in providing space related products and services emanating from Indian Space Programme to global customers and to further spur the growth of Indian Industry in undertaking technologically challenging space related activities"

Mission

"Enabling Indian Industries to scale up high-technology manufacturing base for space programme through technology transfer mechanisms, catering to emerging global commercial small satellite launch service market, satellite services for various domestic and international application needs and enabling space technology spin-offs for betterment of mankind through industry interface"

REVIEW OF BUSINESS

The company has been created to commercially exploit the products and services emanating from the Indian Space Programme and to serve the domestic and global customers, as well as to enable Indian Industries to scale up high-technology manufacturing base for space programme through technology transfer mechanisms.

During June 2020, as part of Space Reforms under an initiative by Government of India "Unlocking India's potential in space sector", NSIL got mandated to undertake End to End Commercial Space Activities related to Satellites and Launch Vehicle Systems. NSIL has the primary mandate of undertaking space missions on a "Demand Driven" based model as compared to the "Supply Driven" model that existed earlier.
